- C. Ms. Leonardi's report for the **Capital Budget and Facilities Committee** included the following:
1. The last meeting of the Capital Budget and Facilities Committee was a joint meeting with the Academic and Financial Affairs Committee to consider the capital and academic budgets of the University. One of the major issues discussed concerned Options A and B of the Capital Budget Plan for UConn 2000. A report scheduled for today from the Marine Sciences Center and the Department of Marine Sciences will address many of the questions associated with this issue and provide background for the Board to choose Option A or Option B.
- D. Mrs. Berry's report for the **Academic and Financial Affairs Committee** included the following:
1. Chairwoman Berry reported that the joint committee meeting held on June 28 and referred to in Ms. Leonardi's report provided an opportunity for the Board to listen to presentations and discuss the proposed budgets, as well as the use of reserves and other issues surrounding the budget.

Mrs. Berry directed Board attention to **Attachment T, the Budget Balancing Plan (Fiscal Years 1997-99)**, and noted that Trustees should be aware of assumptions made as the budget balancing issue is considered. Among those assumptions are the projected enrollment for undergraduates, and the significantly reduced proposed Infrastructure Maintenance fee which will not be implemented until the 1997-98 fiscal year. Other reductions in expenditures include an imposition of a University-wide hiring freeze, expenditure reductions as well as proposed revisions to the implementation of the timetable for Title IX in the Athletic program, and the South campus debt service cost tied to the infrastructure maintenance fee. Trustee Berry directed Trustee attention to the Education Budgets. In 1996-97, \$6M plus from reserves will be used; in 1997-98, \$2M in reserves will be used. A balanced budget is expected for 1998-99.

On a motion by Mrs. Berry, seconded by Mr. Treibick, **THE BOARD VOTED** to approve a multi-year **Budget Balancing Plan (Fiscal Years 1997-99)**, designed to bring the University's Unrestricted Operating Budget in balance by June 30, 1999. Background information listed as agenda **Attachment U** is attached to the file copy of the Board minutes.
3. Chairwoman Berry reminded the Board that the Policy on Financial Reserves was a goal not limited in terms of how reserves are used since there are occasions when reserves must be used to address the issue of a balanced budget. On a motion by Mrs. Berry, seconded by Ms. Bailey, **THE BOARD VOTED** to approve the **Revised Policy on Maintaining Financial Reserves** for the University of Connecticut (excluding the Health Center). Background information listed as **Attachment V** is attached to the file copy of the Board minutes.
