A. **The Report of the Chairman** included the following items:

1. Chairman Gelfenbien reviewed the events of the last few days regarding Division IA football, the meetings with legislators, and the testimony that President Austin and he, and Vice Chairman Leonardi and Chancellor Emmert gave at the Legislative Committee hearing that took place on Tuesday, November 18. He noted that the special Board meeting today was called to answer Trustee questions about the latest events and to discuss Trustee parameters for negotiations.

President Austin reviewed his testimony, and described the revised proposal he put forth. After much discussion about public perception of the stadium and remedies proposed by the Trustees, several Trustees expressed their confidence in President Austin and Chairman Gelfenbien to negotiate and to make decisions that remain to be made in the pursuit of a stadium. Mr. Gelfenbien noted that construction costs and the amount of private funding to be raised are the two issues which are presently on the table.
